## Magic Under the Big Top

Fans of all ages will rejoice as the Ringling Brothers and Barnum & Bailey Circus returns to the HP Pavillion in San Jose with *Over The Top*, the 138th edition of The Greatest Show on Earth. From **August 20 – 24**, audiences can expect spectacular performances by acrobats, clowns, and animals as they are led by ringmaster Chuck Wagner and clown Tom Dougherty. The show is arranged as a “tug-of-war” between the ringmaster and the clown, as both perform zany antics that will keep you laughing. So join in on the fun! [www.hppsj.com](http://www.hppsj.com)

## New Spin on Dickinson

On **August 13**, the poems of Emily Dickinson come to life in *Divide Light*, an opera that explores the works of the renowned American poet. The opera premieres at the Montalvo Arts Center in Saratoga. Directors Thomas Moran and Lesley Dill, both Montalvo Artists in Residence, join forces to delve into American Transcendentalism and its influence of Dickinson. This haunting and poignant interpretation of her poems is sure to impress and delight lovers of poetry, opera, or both. [www.dividelight.com](http://www.dividelight.com)
