

# Downloading Instructions for Android Phones

1. Use [this link](#) or search for “Montalvo Arts Center” in Google Play Music.
2. Scroll down to the Podcasts section of the results page and select the podcast with the picture of the Villa.
3. Press the circle with “i” in it next to Track 1.

4. Click the download button on the screen that pops up. Once the orange check mark has appeared, the track has been downloaded.

5. Repeat these steps for each of the four tracks.
6. Standing at the First Four Bridges sign at Parking Lot 2, press Track 1 to play. Wait in the parking lot until the recording tells you to begin your walk. When prompted by signs along the route, advance to the next track.

*[Note: If you do not have any of the platforms mentioned above, the tracks can be found on the third-party Podcast App, SoundCloud, and PlayerFM.]*
