

Downloading Instructions for iPhones

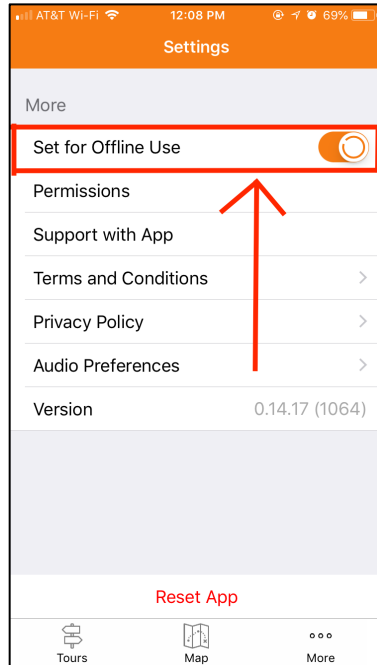

1. Go to the App store on your iPhone.
2. Search “Montalvo Arts Center” and download the app.
3. Once the app has downloaded, open the app and go to “More.”

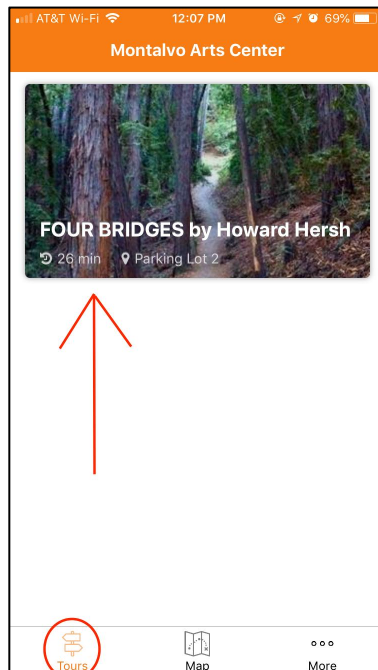

4. On the “More” page, click on “Settings.”

5. Select “Offline Mode.” This will cache the tours on the app and make it possible for you to listen to the music even when you are out of service range.

6. Once you are at the Four Bridges sign in Montalvo’s Parking Lot 2, go to the “Tours” page of the app and select the tour entitled “FOUR BRIDGES by Howard Hersh.”

7. If you would like more information about the piece, scroll down to read the introduction. Otherwise, press “Begin,” then the play button. Remain in the parking lot until instructed to start your walk.
8. When prompted by signs along the route, advance to the next track.
