

Using Pre-loaded MP3 Players and Headphones

These small players, preloaded with high-resolution files, are available at Montalvo Arts Center, and are ready to go. Paired with closed ear headphones, they offer a simple interface and good quality audio experience. They can be checked out from the Montalvo **Box Office**, Monday – Friday, between 10:00 AM and 3:30 PM; there is no charge. The Box Office is located just to the left, and toward the rear, of the Villa.

The Box Office staff will provide you with basic instructions (also included below for your convenience) for using the devices.

When you are all set, go to the Four Bridges sign in Parking Lot 2, start the first track, and wait there until you are instructed to begin your walk. When prompted by signs along the route, advance to the next track.
